Our playground was designed by local school children. It will be **built by volunteers** in the “North Meadow” above the Chambers Bay Golf Course. We are competing for a **\$50,000 grant** in the **Pepsi Refresh Everything Internet Contest** to buy materials. The top ten projects in the \$50K category each month get funded. **We need your help** to get to the **top ten by the end of October**. Please **sign up** on our website for a “**daily reminder**” to **VOTE**. It is **FREE**, “**SPAM PROTECTED**” and **EASY**! Help the kids of Pierce County build their “dream” playground. Please, send us you vote **EVERY DAY** in October!
